

75 Years, Still Serving

Welcome to The MasterCard Centre for Hockey Excellence

On July 23, 1931, the Lakeshore Lions were chartered, and the Lakeshore community gained a valuable institution that has continued to serve with great diligence. The contributions to this community would be impossible to document, and part of that reason is because the Club has never been in the business of documenting the business of helping those in need; it is the act of helping, not the recognition of helping that is the focus.

Today, as the Club embarks on a project of great relevance to the community, it is paramount to remember that this Club has always been focused on the best interests of the community.

Please use the contact page if you have any questions about the Arena.
